

Lab Activity 6

Code:

The image shows two panels from a Visual Studio Code editor. The top panel displays the HTML code for 'Lab Act6.html', which includes a DOCTYPE declaration, a title 'Pecito - Javascript Lab Act 6', and a body containing a JavaScript alert and a script tag for 'script.js'. The bottom panel shows the 'script.js' file with a single line of code: `window.alert('Hello World');`.

```
Lab Act1.html Lab Act2.html Lab Act3.html Lab Act4.html Lab Act5.html Lab Act6.html JS script.js
C: > Users > specito > OneDrive > Desktop > Sarah Pecito > WDP > PECITO > JAVASCRIPT > Lab Act6.html > html > head > title
1 <!DOCTYPE html>
2 <html>
3 <head>
4   <title>Pecito - Javascript Lab Act 6</title>
5 </head>
6 <body>
7   window.alert('Hello World');
8 </body>
9   <script src="script.js"></script>
10 </html>

Lab Act1.html Lab Act2.html Lab Act3.html Lab Act4.html Lab Act5.html Lab Act6.html JS script.js
C: > Users > specito > OneDrive > Desktop > Sarah Pecito > WDP > PECITO > JAVASCRIPT > JS script.js
1 window.alert("Hello World");
2
```

Output:
